Jer 2

James 2:23

## **Outcomes for the Christian Life**

- We have no need to worry:  
We have assurance that nothing is beyond the power of God  
Psalm 91:1-2  
Example: David's understanding of God's power when he faced Goliath  
1 Sam 17:3-11;26
- We need God (be dependent upon Him):  
No matter how weary or distraught we become, God's power is available for us  
Isaiah 40:31
- We can look for God's power everyday:  
We have experienced God's power in us when we were saved.  
God's power is available to help us resist sin
- God has taken up residence in us:  
Therefore we have latent power within us.  
Eph 3:20  
We can expect God to be powerfully at work in us in the performance of miracles  
Luke 24

## **Conclusion**

We need a revelation of God's power that we can see amazing miracles performed today.

We need the faith to believe in the word of God.
